

Flashback Hare's Ear Nymph

Hook: Standard 1x or 2x nymph hook - Mustad R73/9671 or similar

Head: Appropriate size gold bead

Thread: Brown 6/0

Tail: Clump of hare's mask fur with guard hairs, or woodduck flank feather fibers

Abdomen: Hare's ear dubbing, with tiny bit of pearl Ice Dub mixed in

Abdomen Shell Back: One strip of pearl saltwater (wide) Flashabou

Abdomen Rib: Small oval gold tinsel, or gold wire

Thorax: Same as abdomen

Wing Case: Two strips of pearl saltwater (wide) flashabou, overlapped in width appropriate to hook size

Notes: Pick out the abdomen and thorax dubbing on the sides when fly is finished. I use a small piece of Velcro stuck to the last quarter of a popsicle stick.
